PROCLAMATION

شاہی اہل اشرف

Harken ye to the Muezzin's Call !
The blessing of Allah and His Peace upon thee.
Heed well, all ye Sons of Mecca.

Allah, the Mighty One, hath spoken from the Golden Cloud which cometh down from the zenith of the Seventh Heaven. Comes the call to all ye faithful to make a Pilgrimage to the sacred city of Mecca. Therefore, His Prophet, Mohammed Victor W. Haskell, Potentate, will lead forth across the great desert lies in the Wadi of Tokyo, near the placid Sumida River, a magnificent caravan—with Mecca as its destination.

The NILE soothsayers have checked the stars in the Arabic horoscope and selected

SATURDAY, NOVEMBER 6, 1971

The pilgrimage is forming and none should be left behind. The road to Mecca is opened wide for all who would desire to join. All worthy caravans will follow the Hegira to the Holy City and proceed to the magnificent Mecca of Tokyo, Japan, where the caravans will be joined with a tremendous throng of the most worthy Nobles in the Far East to partake in the ceremonies and splendor of a Mammoth Ceremonial. It will be a festive occasion when hundreds of poor sons of the desert will seek shelter from the burning sun in the cool shade beside the sacred well, in the restful and tranquil confines of the Great Temple, near the great Tokyo Tower, at the oasis of Tokyo.

If you would join in this hazardous journey to Mecca, gird yourself well, for strange is the road for those who have never gone that way. ALLAH is merciful, and if you have lived up to your obligations and have performed your absolutions, Allah will grant you much peace and joy. Arouse ye then, Awake, and Arise ye Sons of the Desert, for Allah the Omnipotent, in his infinite wisdom has decreed the pilgrimage to the Sacred city of Mecca.

I beseech you therefore Nobles, to let no stone remain unturned, let no camel path remain unexplored, in order that you may discover these unregenerate desert denizens and unwashed unbelievers whom you believe merit the purifying draught of the Incorruptible waters. Promise them the opportunity to visit the land where rivers of milk form an inexhaustible supply of strength and refreshment.

Promise them The Benevolent Brotherhood and unselfish friendship accorded all pious and trustworthy Nobles of the Mystic Shrine.

If they bear bravely the Moslem Test, the trials, the tribulations and ordeals precipitated by the Blazing Sun and the Hot Sands, they will become Nobles of the Ancient Arabic Order of the Nobles of the Mystic Shrine. They will be able to enjoy the Feast of the Ramadan and rejoice at the end of the long hot journey by cooling their burning feet in the shade of the Great Oasis in Mecca.

Arouse ye Nobles, go forth, and bring Novices by the score for our fateful journey.

Living Peace

To Nobles in the Orient:

As Imperial Potentate it is a pleasure to send you greetings from the nearly 900,000 Nobles of the Mystic Shrine living in North America and throughout the rest of the world.

Illustrious Potentate Victor W. Haskell and Nobles of Nile Temple will bring to you in this Ceremonial some of the pageantry and legend which have built the Shrine of North America to its position of prominence during the almost 100 years of its existence.

Congratulations to all newly created Nobles and their wives and families! You have become members of the world's greatest fraternity with a heart and soul as big as all outdoors in its twenty-two Shriners Hospitals for Crippled Children.

God bless you, each one.

Sincerely,

C. Victor Thornton
Imperial Potentate

Greetings

On the occasion of the 1971 Convention of the Torii Oasis Shrine Clubs of Japan, it is a great pleasure for me to extend my warm congratulations and welcome to Potentate Victor W. Haskell and the officers who have come over to Tokyo to assist the Clubs in organizing the grand annual event.

The Torii Oasis Shrine Clubs of Japan and its members for years have rendered remarkable services in the field of social welfare, especially in helping handicapped or orphaned children. I extend to them my profound respect and gratitude for your noble and benevolent acts based on humanity.

By doing so, you are setting an outstanding example not only to the ill-starred children who have been helped by you but to all the grown-up members of society of how human being can still be warm-hearted to each other in this dry and mechanic age.

I wish to take this opportunity to offer to all the members of the Torii Oasis Shrine Clubs for a growing prosperity and development of your esteemed organization as well as for a success of the 1971 Convention.

"It is a real pleasure to greet you on the occasion of the 1971 Tokyo convention of the Torii Oasis Shrine Clubs of Japan. The benevolent work of the Shriners is well known throughout this country and brings great honor to all the members of your group.

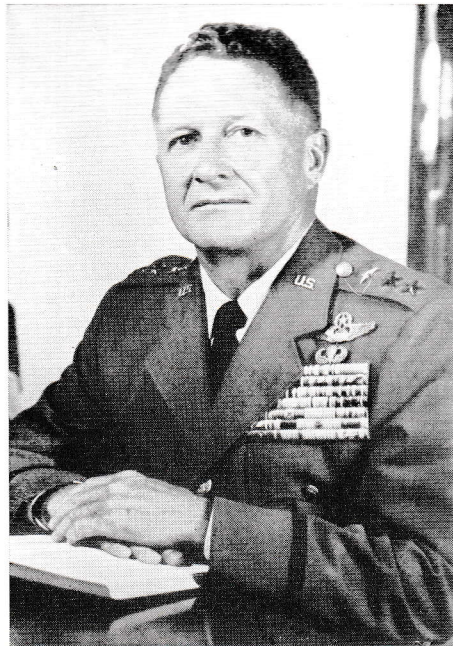

"I am happy to join with you this year in welcoming to Japan Potentate Victor W. Haskell and the officers of Nile Temple, Ancient Arabic Order Nobles of the Mystic Shrine of Seattle, Washington. They will, I am sure, add much to the success of your convention and to the continued progress of your philanthropic projects in Japan, which have already contributed greatly to goodwill between our two countries.

"Best wishes."

Sincerely,

Dear Nobles:

Nile Temple once again has the honor to make a Ceremonial Pilgrimage to the Far East.

We made the first Pilgrimage to the Far East in 1914 and we are very proud of the record that Masonry has made in your area. Our Divan, their wives and a tour group of about seventy welcome the opportunity of bringing to you the Sunshine of the Shrine and to obligate many new members.

We extend to all the hand of friendship and know that both old and new Shriners will be happy to be a part of the World's Greatest Philanthropy - our Orthopedic Hospitals and Burns Institutes.

Cordially and Fraternally,

Victor W. Hackee
Potentate

"To relieve the distressed is a duty incumbent upon all men, but particularly upon Masons. "

So are Freemasons instructed, and so have they practiced from Craft Lodges and from associated bodies, in hundreds of programs and in tens of thousands of individual acts of charity, for more than six centuries.

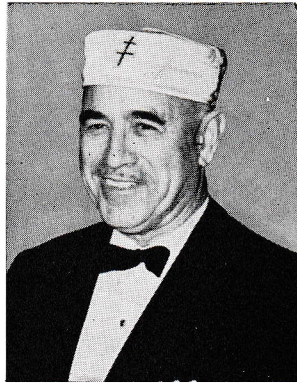

Among the more noteworthy of the organized charitable programs is the Crippled Childrens' Hospital Program administered by those Masons who are also Shriners. Working with the support of the entire Craft, and in close harmony and cooperation with our Grand Lodge Masonic Sight Assistance Program, the Knight Templar Eye Foundation, and the Scottish Rite Burn Cases program, this great charity of Shrinedom truly exemplifies one of those Masonic ideals that we hold most dear.

We extend a hearty and fraternal welcome to Illustrious Potentate Victor W. Haskell and his Nile Temple Divan, and wish for them, and for the Torii Oasis Shrine Clubs of Japan, a most successful Ceremonial.

Sincerely and fraternally,

A handwritten signature in dark ink, reading "Floren L. Quick". The signature is stylized with a large, sweeping initial 'F'.

FLOREN L. QUICK
Grand Master
Grand Lodge of Japan,
Free and Accepted Masons

Members of the Scottish Rite Bodies of the Valleys of Tokyo, of Yokota, and of Seoul, Orient of Japan and Korea, are again most happy to welcome the Illustrious Potentate and members of Nile Temple to Japan. Each year, they and all other Masons eagerly await the arrival of the Illustrious Potentate, the Divan and other members of a Shrine Temple from the West Coast of the United States in the happy knowledge that their excellent rendition of the Shrine Ceremonial will assist in the progress toward the fraternal goals in this great country.

All Masonic organizations here share the common purpose of letting their moral and humanitarian teachings be conveyed to the people of Japan through precept and example.

Each of them is a supporter of the others, with Peace and Harmony characterizing their inter-relationships.

The wonderful charitable program of the Torii Oasis Shrine Clubs of Japan which has aided so many unfortunate children in Japan and Korea is a major component in the overall effort of Masons in this country to help those who would not otherwise be helped.

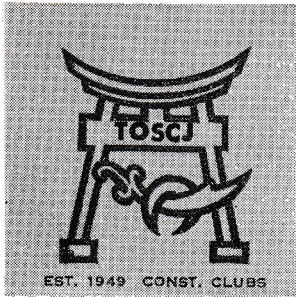

That effort has served to educate the people of Japan in the true nature of our fraternal organizations.

Another important result has been to help awaken the public to our basic humanitarian concern for the poor, the crippled, and the distressed.

To you and your ladies, thank you for coming our way. We hope your stay here will be so rewarding and pleasant, that you will be with us again very soon.

TORII OASIS SHRINE CLUBS OF JAPAN

Masonic Building, No. 13, Shiba Sakae-cho, Minato-ku, Tokyo, Japan Tel. 431-4121 EXT. 206

It is a privilege to welcome Illustrrious Potentate Victor W. Haskell and his Nile Temple Divan on behalf of the Torii Oasis Shrine Clubs of Japan.

As my year as President of the Torii Oasis Shrine Clubs draws to a close, I cast my mind back over the high-lights and activities of the year. I recall the mixture of gratification and trepidation with which I met the honor of my election. As I looked at the photographs of my predecessors on the wall of the Shrine Office in the Masonic Building, I felt even more strongly my own incapacity to match their efforts and accomplishments. The year has fled more swiftly than would seem possible, but thanks to the hard work and dedication of more Nobles than I can possibly name here, it has left a record of activities of which we can all be proud.

President's Ball at Commissioned Officers Club, Atsugi Naval Air Station on 17 April 1971, enlivened by a black-out of electricity. Candle-light pleased the ladies. 10 children hospitalized for periods of 2 weeks to one year. More than 20 received out-patient treatment such as massage, corrective braces and shoes. Shrine Picnic at Sagami on 19 September. Twice postponed but finally held, very successfully.

With sorrow I must also record the passing of our good Nobles Theodore M. Stewart, Donald E. Wells, Samuel M. Livingston, Russell O. Dewey, Mauritz Nilsson, Vincent G. Welch and Robert J. Bunbury.

To our Novices traversing the heated desert - greetings and congratulations. You pass from principles into the practice of the most benevolent functions of Freemasonry, your reward not only the fun and festivity of our colorful social occasions, but the gratitude of the poor and afflicted.

It has been the highest privilege and pleasure of my Masonic Life to serve the Torii Oasis Shrine Clubs of Japan as President, and my heartfelt thanks go out to all Japan Shriners for their participation and assistance in making my year another successful one for Shrinedom. This Ceremonial under the capable auspices of Nile Temple will, I am sure, be a memorable one, and live up to the record of Nile Temple's seventeen previous pilgrimages to the Far East.

Sincerely and fraternally,

日本 トリイ オアシス シュライン クラブ 身体障害児童治療計画

日本 トリイ オアシス シュライン クラブは、終戦後、初の社会福祉事業推進を目的として、1949年に設立されました。

それまでは、相模 シュライン クラブ・東京 シュライン クラブ・横浜 シュライン クラブが中心となって個々に身体障害児童のお世話に当っておりましたが、当クラブの組織誕生をみて、また第一回記念事業の成功とその治療計画の推進により全国各地に続々と支部が設立され、現在では1,846人の新会員が加入しております。

会員達は身体不自由な子供達が、一日も早く健康を回復し、楽しい生活がおくれることを願って、これまでと同様に現在も事業計画に沿ってお世話しております。

今までに約295人の子供達が3ヵ月から2年間入院治療し、300人以上がマッサージ・足の矯正・又矯正靴をうけるため通院しました。この子供達は小児マヒの後遺症として長い間内反足とか、先天性股関節脱臼などで苦しんでいました。整形外科手術は日本でも著名な東京聖路加病院の外科医服部 武博士のもとでおこなわれ、ゆきとどいた看護をうけ、それぞれ退院し、現在では楽しい日々を送り、りっぱな市民となっております。

当クラブは、また米国のシュライン計画にならい、大やけどの皮フ後遺症を治療するため、これもまた日本で有数の外科医、東京大学附属病院の大森清一博士が、植皮手術等のむづかしい治療にあたっております。これら東京の医療機関の他に、青森県三沢市はまなす学園・広島赤十字病院・韓国のカソリック メディカル センターなど、各地の子供達にも恵まれた環境の中で治療がおこなえるよう、治療機関を用意しております。これらの治療計画は、当クラブの会員と関係各方面からの暖いご援助のもとにおこなわれております。

治療をうける子供さんは、国籍、宗教は問いません。14才未満で、多額の治療費負担困難な、恵まれない子供さんならば、どなたでも援助させていただきます。

恵まれない多くの身体障害児童が元気になられ、退院され楽しい社会生活が送られるようになられることは、私達の無上の喜びです。もし、このような手術、治療により救われるからだの不自由なお子様をご存じでしたら、是非ご連絡下さい。医療委員会が、ご相談に応じます。

THE T.O.S.C.J. CRIPPLED CHILDREN'S PROGRAM
IN JAPAN

The Torii Oasis Shrine Clubs, composed of approximately 1000 Shriners living in Japan and other parts of the world, have banded together to implement a program of assisting crippled children to regain their health, so that they can enjoy the life which is their rightful heritage. To date, approximately 325 patients have been hospitalized for periods lasting from three month to two years. Over 300 have received out-patient treatment such as massage, corrective shoes, braces and artificial limbs.

These unfortunate children were suffering from either clubbed feet, curved spines, tuberculosis of bones and joints, infantile paralysis, bow legs, congenital hip and such diseases and deformities that require orthopedic surgery or other methods of correction.

At present the Torii Oasis Shrine is placing its orthopedic cases in the St. Luke's International Hospital in Tokyo; the Seventh Day Adventist Hospital and the Japanese Police Hospital. Certain other disabling diseases are also given consideration.

Since the Torii Oasis Shrine Clubs' Hospital Program follows the same plan as the Shrine in the United States the use of plastic surgery and skin grafts to replace scar tissue resulting from severe burns or scalds are now included. Dr. Seiichi Omori of the Tokyo University Hospital and Dr. Nobuyuki Shioya, outstanding plastic surgeons in Japan, are performing skillful restoration of badly scarred and mutilated tissue for our patients.

This hospital program is being financed by the Shriners in Japan with the assistance of their friends.

To be eligible for admittance to a hospital under the Torii Oasis Shrine Program, a child must be under 15 years and its parents unable to pay for treatment.

There is no reference to race, color or religion when submitting an application. The pictures on some of the following pages show the children who are at present undergoing treatment.

If you know of any crippled child whom orthopedic hospitalization can help, feel free to contact any Shriner or call the Shrine Office 431-4121 Ext. 206 and the Hospital Committee will carry on from there.

BRIEF HISTORY OF NILE TEMPLE

Nile Temple, one of the younger Temples, dates back to July 14, 1908, when a petition signed by 466 Nobles of the Mystic Shrine was presented to the Imperial Council Session in St. Paul, Minnesota. On July 15, 1908 the dispensation was granted.

The first formal meeting of the petitioners for Nile Temple was held in the Elks Hall, Alaska Building, Seattle, September 16, 1908. The first Ceremonial was held in the Moore Theatre, December 2, 1908 with 122 Candidates and about 1,000 Nobles present.

Under the chosen title of "Nile Temple", a charter was granted at the Imperial Council Session on June 9, 1909 in Louisville, Kentucky.. the largest Temple chartered in the history of the Order up to that time.

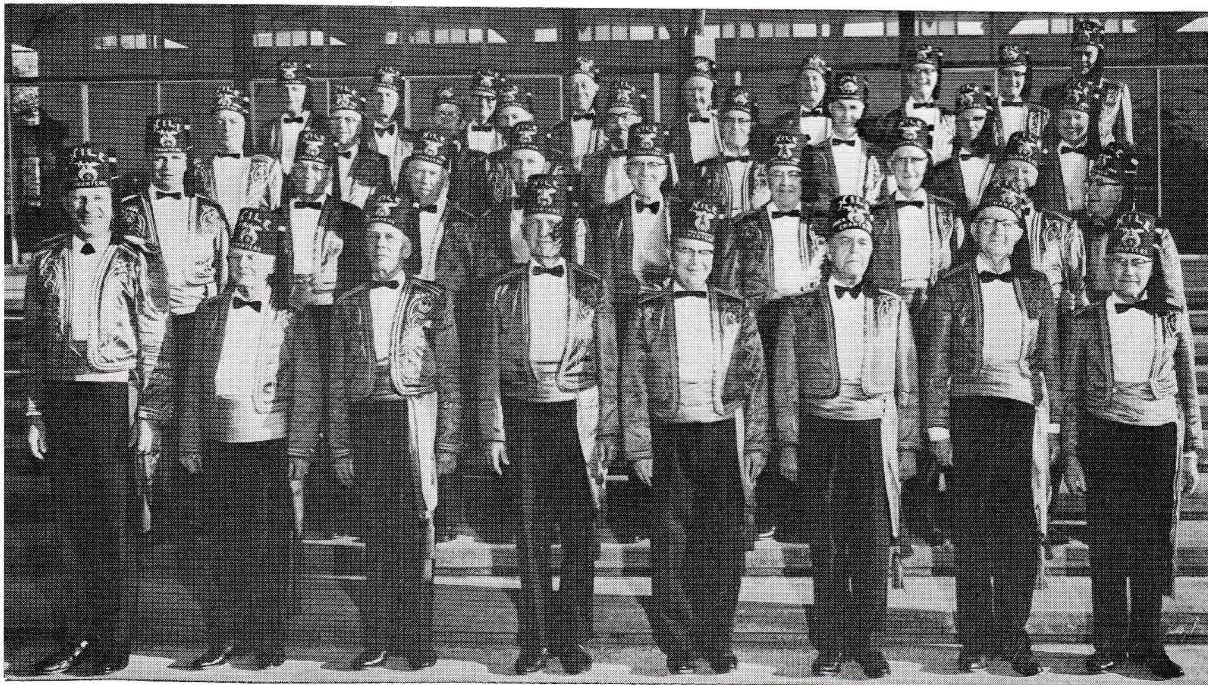

The famous slogan, "Smile With Nile", was coined by the late Past Potentate John L. McLean, for the Imperial Council Session held in Seattle in 1915.

Today, Nile Temple is the 12th largest Temple in Shrinedom with 15 Shrine Clubs in Washington and 9 in Alaska.

It is the most traveled. In the summer of 1909, as the excitement of the Gold Rush Days was fading, Nile made the first pilgrimage to Nome, Alaska. In 1914, 110 Nobles and their wives boarded the S/S Minnesota, traveling 72 days and made the first pilgrimage to the Orient. In 1949, Nile Conducted the first post-way Ceremonial, held in the Union Club in Tokyo, was named after one of Nile's distinguished members, "The Douglas MacArthur Ceremonial". The year 1971 marks Nile's 18th pilgrimage to the Far East.

Nile's Headquarters Building is in the heart of the Seattle Civic Center adjacent to the Famous Space Needle. Nile also owns its own Country Club of 100 acres on the shores of Lake Ballinger, 12 minutes from the city via the new Freeway. Here the members and their families enjoy golf, the lake front, swimming and family picnics beneath the towering firs.

Nobles, the latchstring is always out and a warm welcome awaits.

The Officers of the Torii Oasis Shrine Clubs and all Shriners in Japan wish to extend grateful appreciation to all the advertisers who made this program possible. The revenue raised from advertising will permit the TOSCJ Hospital program to continue its activities of restoring crippled and burned children to their rightful heritage of walking, running and playing. Credit is also extended to the Boonwado Printing Co., Ltd., Tokyo and to Mr. H. Asada for his personal interest and professional supervision of the publishing of this annual program.

MASONIC TEMPLE, TOKYO, JAPAN

The Tokyo Masonic Building stands on one of the highest hills in Tokyo as a monument to the efforts of Masons in Japan. This beautiful building, with its grounds, library, restaurant and swimming pool, is a well-known landmark in the city of Tokyo. The properties are owned by a foundation **erected** jointly by Tokyo Masonic Lodge No. 2 on the roll of the Grand Lodge of Japan and the Scottish Rite Bodies of Japan. The properties are administered by a perpetuating Board of Trustees consisting of six members, three **of whom are nominated by** Tokyo Masonic Lodge No.2 and three by the Scottish Rite Bodies. Portions of the buildings are rented as offices and living quarters. Masonic organizations benefit to the extent of having their meeting quarters here. The income of the building is dedicated to charity. A ward for children, consisting of twenty five beds, is fully maintained from this income. This ward is at St. Luke's Hospital in Tokyo, which is the finest medical institution in the Far East.

The organizations which meet in the Tokyo Masonic Building are Tokyo Masonic Lodge No. 2, Yuai Lodge No. 11 and Harmony Lodge No. 18 under the Grand Lodge of Japan; Sinim Lodge under the Grand Lodge of Massachusetts; Kanto Lodge No. 143 under the Grand Lodge of the Philippines; the four Scottish Rite Bodies; Tokyo Royal Arch Chapter No. 1; Royal and Select Masters Council No. 1; Tokyo Commandery Knights Templar No. 1; Torii Oasis Shrine Clubs of Japan; the Eastern Star; the DeMolay and the Rainbow Girls. The Grand Lodge of Japan also has its headquarters in this building. For American Forces stationed in Japan, the Tokyo Masonic Building has been their Masonic home away from home.

ANCIENT ACCEPTED SCOTTISH RITE OF FREEMASONRY

TWELVE REASONS WHY FREEMASONS SHOULD ATTAIN THE 32nd DEGREE

1. The degrees in Scottish Rite Masonry permanently fasten in the mind of the candidate the basic principles of the order through the beauty and dramatic impressiveness of the work.
2. They provide excellent guidance for the practical demonstration of the teachings of Freemasonry.
3. Ancient and Accepted Scottish Rite Masonry gives the necessary historical background for an intelligent and effective appreciation of Masonic philosophy.
4. They create within one a greater love for chivalry ; a greater respect for philosophy, and a never-ending love for one's mother Lodge.
5. They stimulate one to higher thoughts and nobler acts because of greater knowledge of responsibilities and the history of the institutions of the Scottish Rite.
6. These degrees inculcate patriotism, respect for law and constitutional government, causing one to be less partisan, less sectarian and more democratic.
7. Fellowship in Scottish Rite Masonry greatly enriches sense of the brotherhood of men breaking down barriers of political animosity, sectarian alienation and other influences that tend to divide them.
8. In the degrees of Scottish Rite Masonry the great essentials of human and Divine relationships are taught through the medium of the spoken word and the dramatization of many of these relationships.
9. Scottish Rite Masonry expresses a profound belief in the capabilities of man and the Divine strength ever present to augment them.
10. The degrees teach one to participate in the glorious work of spreading the word of the Fatherhood of God and the Brotherhood of Man, so that in time to come, the words of the Master "I will draw all men unto me." may be fulfilled.
11. They will bring many new friends whom one would not otherwise meet.
12. They present an opportunity to achieve that coveted ambition to become a Thirty-second Degree Mason.

FORE !

FORE on a golf course means look out! But what if you yell and the ball accidentally hits another player or caddie? You can be made to pay doctor and/or hospital expenses, you know. Pretty costly if you're not insured. Better get our facts about insurance that will let you THINK par, even if you don't play that way. (You probably do!)

ALLAH'S PRAYER

I pray the prayers the Easterners do,
May the peace of Allah abide with you :
Wherever you stay, Wherever you go,
May the beautiful palms of Allah grow
Through days of labor and nights of rest,
The love of good Allah make you bless.
So I touch my heart as the Easterners do—
May the peace of Allah abide with you.

747 reasons to fly to the U.S.A.

The 747 reasons: The plane with all the room in the world is flying to the U.S.A. twice a day. Everyday.

Take your pick of Economy or First Class, the Honolulu or the non-stop Great Circle Route to San Francisco or Los Angeles. Either way, you'll pay the same fare as you would for any other Jet. Except you'll have more room sitting down and standing up than you've ever had on any other airline.

Ask any Pan Am® Travel Agent or any Pan Am ticket office for all the details. And say hello to the U.S.A.

Pan Am's 747

The plane with all the room in the world.
