Harken ye to the Muezzin's Call !  
The blessing of Allah and His Peace upon thee.  
Heed well, all ye Sons of Mecca.

Allah, the Mighty One, hath spoken from the Golden Cloud which cometh down from the zenith of the Seventh Heaven. Comes the call to all ye faithful to make a Pilgrimage to the sacred city of Mecca. Therefore, His Prophet, Mohammed Gene B. Lock, Potentate, will lead forth across the great desert lies in the Wadi of Tokyo, near the placid Sumida River, a magnificent caravan—with Mecca as its destination.

The AFIFI soothsayers have checked the stars in the Arabic horoscope and selected

**SATURDAY, NOVEMBER 4, 1972**

The pilgrimage is forming and none should be left behind. The road to Mecca is opened wide for all who would desire to join. All worthy caravans will follow the Hegira to the Holy City and proceed to the magnificent Mecca of Tokyo, Japan, where the caravans will be joined with a tremendous throng of the most worthy Nobles in the Far East to partake in the ceremonies and splendor of a Mammoth Ceremonial. It will be a festive occasion when hundreds of poor sons of the desert will seek shelter from the burning sun in the cool shade beside the sacred well, in the restful and tranquil confines of the Great Temple, near the great Tokyo Tower, at the oasis of Tokyo.

If you would join in this hazardous journey to Mecca, gird yourself well, for strange is the road for those who have never gone that way. ALLAH is merciful, and if you have lived up to your obligations and have performed your absolutions, Allah will grant you much peace and joy. Arouse ye then, Awake, and Arise ye Sons of the Desert, for Allah the Omnipotent, in his infinite wisdom has decreed the pilgrimage to the Sacred city of Mecca.

I beseech you therefore Nobles, to let no stone remain unturned, let no camel path remain unexplored, in order that you may discover these unregenerate desert denizens and unwashed unbelievers whom you believe merit the purifying draught of the Incorruptible waters. Promise them the opportunity to visit the land where rivers of milk form an inexhaustible supply of strength and refreshment.

Promise them The Benevolent Brotherhood and unselfish friendship accorded all pious and trustworthy Nobles of the Mystic Shrine.

If they bear bravely the Moslem Test, the trials, the tribulations and ordeals precipitated by the Blazing Sun and the Hot Sands, they will become Nobles of the Ancient Arabic Order of the Nobles of the Mystic Shrine. They will be able to enjoy the Feast of the Ramadan and rejoice at the end of the long hot journey by cooling their burning feet in the shade of the Great Oasis in Mecca.

Arouse ye Nobles, go forth, and bring Novices by the score for our fateful journey.

Dear Nobles in the Orient and Far East:

One of the richly-rewarding experiences in Shrinedom throughout the years has been the traditional treks to Taiwan, Tokyo, Hong Kong, Manila and Bangkok.

Rest assured that Afifi Temple's Potentate, Gene B. Lock, and members of his Divan, will present a Ceremonial that will be memorable in this the 100th Anniversary of the founding of our Order and the 50th Anniversary of the opening of the first of our 22 Shriners Hospitals for Crippled Children. One of Afifi Temple's distinguished sons, Past Imperial Potentate Chester A. Hogan, will participate and looks forward to greeting new friends and also in renewing warm, old friendships.

The sunshine of the Shrine is not confined to stateside, but reaches far and wide to where ever there is a fez wearing Noble.

Congratulations, and may God bless you.

Sincerely yours in the Faith,

My Dear Nobles:

It is a special privilege for me to again make a trek to the Orient, and the joy of meeting old friends and making new ones.

As Masons and Shriners we have a great opportunity to spread the sunshine of fellowship and goodwill. It is truly a great honor and satisfaction that you can be a part of those who help burned and crippled children. Your patriotic allegiance contributes greatly to God, Country, Family and Fraternity.

Es Selamu Aleikum!

### Greetings

It is a great honor for me to have an opportunity of extending my sincere congratulations on behalf of the citizens of Tokyo to Potentate Gene B. Lock and officers of the Afifi Temple who have come to Tokyo to assist the Torii Oasis Shrine Clubs of Japan on the occasion of their 1972 convention. I also take much pleasure to see that the convention is growing successful year after year.

I always have deep respect for the fact that the Clubs has rendered earnest efforts toward benevolent services under a noble principle and beyond differences in race, color and religion, and especially toward the welfare of handicapped children who are not given satisfactory opportunity for starting life anew, for which I wish to extend my profound esteem.

In connection with social welfare, I don't need to mention that we are positively carrying out different projects to extend a helping hand to the socially weak, such as the needy and the physically and mentally handicapped, however, still now we are in no position of saying that our services have been completely satisfactory. In this connection I would like to appreciate very high the distinguished services your Clubs has rendered in encouraging and extending warm hands and bright hope to the unfortunate children.

Availing myself of this opportunity I hope your Clubs will continue to develop and enjoy prosperity, and I pray for the success of the convention.

  
Ryokichi Minobe  
Governor of Tokyo

It is indeed a great pleasure to extend my personal greetings to you on the occasion of the 1972 Tokyo Convention of the Torii Oasis Shrine Clubs of Japan.

Your humanitarian efforts to help handicapped children are well-known and deeply appreciated throughout Japan. Your concern and continued work have contributed most importantly to the strengthening of goodwill and friendship between our two countries.

May I also join you in welcoming to Japan Potentate Gene B. Lock and the other officers of Afifi Temple, Ancient Arabic Order Nobles of the Mystic Shrine from Tacoma, Washington.

Please accept my warmest wishes for a most successful convention.

Sincerely,

A handwritten signature in cursive script that reads "Robert S. Ingersoll". The signature is written in dark ink and is positioned above the printed name.

Robert S. Ingersoll  
American Ambassador

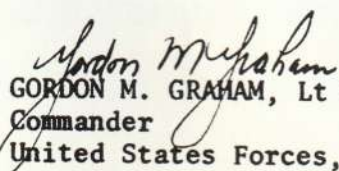

On behalf of the men and women of the United States Forces in Japan, I extend a warm welcome to the officers of Afifi Temple, Ancient Arabic Order Nobles of the Mystic Shrine of Tacoma, Washington as they join the Torii Oasis Shrine Clubs of Japan in their 1972 Convention.

The Torii Oasis Shrine Clubs are well known for their generous devotion to children in Japan and for their many other benevolent activities. The efforts of these clubs have done much to foster goodwill between Japan and the United States.

We of United States Forces Japan wish you a successful convention and continued success with the children's hospital program in Japan.

Sincerely

  
GORDON M. GRAHAM, Lt General, USAF  
Commander  
United States Forces, Japan

The Divan and Nobles of Afifi Temple are extremely proud to be privileged to make a Pilgrimage to the Orient during this our Shrinetennial Year and our 50 years of operating our Orthopedic Hospitals for Crippled Children.

Since 1921 we have made many ceremonial trips to the Far East meeting many prominent Masons and initiating many of them into the Shrine.

Our Divan, their wives, and all our tour group look forward to this visit to your country, and I'm sure we will bring back fond memories of our tour and the many new friends we'll gain.

Cordially Yours in the Faith

*Gene B. Lock*

Potentate of Afifi Temple

It takes seventy two muscles to frown and only fourteen to smile; smiles are the reflections of kindness, which the deaf can hear and the dumb can understand.

By the great philanthropy of Shrinedom - - the Orthopedic Hospitals and the Burns Institute, we have been able to observe countless number of smiles on children who have been assisted by these great programs who otherwise may still be leading a gloomy life with a frown on their faces. Charity is one of the principal tenets of Masonry which we are taught and should at all times practice. To those of you who devote and contribute your time so unselfishly to this noble cause, I wish to congratulate you most heartily.

To Illustrious Potentate Gene B. Look and the Nobles of your Divan of Afifi Temple, the Grand Lodge of Japan extends to you a hearty and warm fraternal welcome on your pilgrimage to Japan and wishes you a most successful ceremonial. We hope your visit with us will be a pleasant and memorable one.

Sincerely and fraternally,

A handwritten signature in dark ink, appearing to read 'Frederick S. Kashiwagi', written in a cursive style.

FREDERICK S. KASHIWAGI  
Grand Master  
Grand Lodge of Japan,  
Free and Accepted Masons

Members of the Scottish Rite Bodies of the Valleys of Tokyo, of Yokota, and of Seoul, Orient of Japan and Korea, are again most happy to welcome the Illustrious Potentate and members of Afifi Temple to Japan. Each year, they and all other Masons eagerly await the arrival of the Illustrious Potentate, the Divan and other members of a Shrine Temple from the West Coast of the United States in the happy knowledge that their excellent rendition of the Shrine Ceremonial will assist in the progress toward the fraternal goals in this great country.

All Masonic organizations here share the common purpose of letting their moral and humanitarian teachings be conveyed to the people of Japan through precept and example.

Each of them is a supporter of the others, with Peace and Harmony characterizing their inter-relationships.

The wonderful charitable program of the Torii Oasis Shrine Clubs of Japan which has aided so many unfortunate children in Japan and Korea is a major component in the overall effort of Masons in this country to help those who would not otherwise be helped.

That effort has served to educate the people of Japan in the true nature of our fraternal organizations.

Another important result has been to help awaken the public to our basic humanitarian concern for the poor, the crippled, and the distressed.

To you and your ladies, thank you for coming our way. We hope your stay here will be so rewarding and pleasant, that you will be with us again very soon.

We of the Torii Oasis Shrine Clubs of Japan extend the warmest of fraternal greetings to Illustrious Potentate Gene B. Lock; Past Imperial Sir, Chester A. Hogan; the Afifi Divan and all who have joined with us to celebrate this our 24th Ceremonial. May you all enjoy your stay and return with pleasant memories of Japan.

For some this is one of many Ceremonial treks to the Orient. Your visitations make it possible for us to further the humanitarian goals of our grand fraternity.

Shriners of the Torii, old and new, we salute you and thank you.

## MASONIC TEMPLE, TOKYO, JAPAN

The Tokyo Masonic Building stands on one of the highest hills in Tokyo as a monument to the efforts of Masons in Japan. This beautiful building, with its grounds, library, restaurant and swimming pool, is a well-known landmark in the city of Tokyo. The properties are owned by a foundation erected jointly by Tokyo Masonic Lodge No. 2 on the roll of the Grand Lodge of Japan and the Scottish Rite Bodies of Japan. The properties are administered by a perpetuating Board of Trustees consisting of six members, three of whom are nominated by Tokyo Masonic Lodge No.2 and three by the Scottish Rite Bodies. Portions of the buildings are rented as offices and living quarters. Masonic organizations benefit to the extent of having their meeting quarters here. The income of the building is dedicated to charity. A ward for children, consisting of twenty five beds, is fully maintained from this income. This ward is at St. Luke's Hospital in Tokyo, which is the finest medical institution in the Far East.

The organizations which meet in the Tokyo Masonic Building are Tokyo Masonic Lodge No. 2, Yuai Lodge No. 11 and Harmony Lodge No. 18 under the Grand Lodge of Japan; Sinim Lodge under the Grand Lodge of Massachusetts; Kanto Lodge No. 143 under the Grand Lodge of the Philippines; the four Scottish Rite Bodies; Tokyo Royal Arch Chapter No. 1; Royal and Select Masters Council No. 1; Tokyo Commandery Knights Templar No. 1; Torii Oasis Shrine Clubs of Japan; the Eastern Star; the DeMolay and the Rainbow Girls. The Grand Lodge of Japan also has its headquarters in this building. For American Forces stationed in Japan, the Tokyo Masonic Building has been their Masonic home away from home.

## 日本 トリイ オアシス シュライン クラブ 身体障害児童治療計画

日本 トリイ オアシス シュライン クラブは、終戦後、初の社会福祉事業推進を目的として、1949年に設立されました。

それまでは、相模 シュライン クラブ・東京 シュライン クラブ・横浜 シュライン クラブが中心となって個々に身体障害児童のお世話に当っておりましたが、当クラブの組織誕生をみて、また第一回記念事業の成功とその治療計画の推進により全国各地に続々と支部が設立され、現在では1,846人の新会員が加入しております。

会員達は身体不自由な子供達が、一日も早く健康を回復し、楽しい生活がおくれることを願って、これまでと同様に現在も事業計画に沿ってお世話しております。

今までに約295人の子供達が3カ月から2年間入院治療し、300人以上がマッサージ・足の矯正・又矯正靴をうけるため通院しました。この子供達は小児マヒの後遺症として長い間内反足とか、先天性股関節脱臼などで苦しんでいました。整形外科手術は日本でも著名な東京聖路加病院の外科医服部 武博士のもとでおこなわれ、ゆきとどいた看護をうけ、それぞれ退院し、現在では楽しい日々を送り、りっぱな市民となっております。

当クラブは、また米国のシュライン計画にならい、大やけどの皮フ後遺症を治療するため、これもまた日本で有数の外科医、東京大学附属病院の大森清一博士が、植皮手術等のむづかしい治療にあたっております。これら東京の医療機関の他に、青森県三沢市はまなす学園・広島赤十字病院・韓国のカソリック メディカル センターなど、各地の子供達にも恵まれた環境の中で治療がおこなえるよう、治療機関を用意しております。これらの治療計画は、当クラブの会員と関係各方面からの暖いご援助のもとにおこなわれております。

治療をうける子供さんは、国籍、宗教は問いません。14才未満で、多額の治療費負担困難な、恵まれない子供さんならば、どなたでも援助させていただきます。

恵まれない多くの身体障害児童が元気になられ、退院され楽しい社会生活が送られるようになられることは、私達の無上の喜びです。もし、このような手術、治療により救われるからだの不自由なお子様をご存じでしたら、是非ご連絡下さい。医療委員会が、ご相談に応じます。

THE T.O.S.C.J. CRIPPLED CHILDREN'S PROGRAM  
IN JAPAN

The Torii Oasis Shrine Clubs, composed of approximately 1000 Shriners living in Japan and other parts of the world, have banded together to implement a program of assisting crippled children to regain their health, so that they can enjoy the life which is their rightful heritage. To date, approximately 325 patients have been hospitalized for periods lasting from three month to two years. Over 300 have received out-patient treatment such as massage, corrective shoes, braces and artificial limbs.

These unfortunate children were suffering from either clubbed feet, curved spines, tuberculosis of bones and joints, infantile paralysis, bow legs, congenital hip and such diseases and deformities that require orthopedic surgery or other methods of correction.

At present the Torii Oasis Shrine is placing its orthopedic cases in the St. Luke's International Hospital in Tokyo; the Seventh Day Adventist Hospital and the Japanese Police Hospital. Certain other disabling diseases are also given consideration.

Since the Torii Oasis Shrine Clubs' Hospital Program follows the same plan as the Shrine in the United States the use of plastic surgery and skin grafts to replace scar tissue resulting from severe burns or scalds are now included. Dr. Seichi Omori of the Tokyo University Hospital and Dr. Nobuyuki Shioya, outstanding plastic surgeons in Japan, are performing skillful restoration of badly scarred and mutilated tissue for our patients.

This hospital program is being financed by the Shriners in Japan with the assistance of their friends.

To be eligible for admittance to a hospital under the Torii Oasis Shrine Program, a child must be under 15 years and its parents unable to pay for treatment.

There is no reference to race, color or religion when submitting an application. The pictures on some of the following pages show the children who are at present undergoing treatment.

If you know of any crippled child whom orthopedic hospitalization can help, feel free to contact any Shriner or call the Shrine Office 431-4121 Ext. 206 and the Hospital Committee will carry on from there.

## HISTORY . . . AFIFI TEMPLE

### A. A. O. N. M. S.

On or about July 25, 1888, a petition for the establishment of Afifi Temple, A. A. O. N. M. S., was signed and forwarded to Sam Briggs, Imperial Potentate the United States and Canada, said petition being signed by the following Nobles : W. J. Thompson, Islam Temple ; S. C. Millingan, Abdullah Temple ; Franklin B. Gault, El Jebel Temple ; and by Sir Knights, C. N. Daniels, E. T. Durgin, Henry Drum, E. R. Hare, and W. C. Rowland. Noble Franklin B. Gault being named as Grand Potentate in said petition.

On or about September 1, 1888, establishment fees in the amount of \$ 300,00 for creation, of a new Temple were remitted to the Imperial Potentate.

On Monday, September 17, 1888, the frater named in said petition met at "The Tacoma Hotel" where and when Noble Frank S. Hastings of Abdullah Temple, Leavenworth, Kansas, submitted his credentials as the authorized deputy of the Imperial Potentate to establish Afifi Temple at Tacoma, Washington Territory, and delivered to Franklin B. Gault the dispensation for Washington and British Columbia, issued by the Imperial Potentate, Sam Briggs, in which said Franklin B. Gault was confirmed as Grand Potentate and the other Nobles and Sir Knights named in the petition were designated as Charter Members. Noble Franklin B. Gault was duly installed Grand Potentate and Sir Knights Daniel, Dru, Durgin, Hare, and Rowland were obligated as Nobles of the Mystic Shrine.

The affairs of Afifi Temple developed nicely through the "Gay Nineties". At the turn of the century the Nobles began to think in terms of Uniformed Units. At the end of twenty years the Temple became travel-minded and began to participate in Imperial Council Sessions by sending the Patrol to Louisville, Kentucky, in 1909, and the Band to New Orleans, Louisiana, in 1910. From those days on, the Temple has ever remained travel-minded. In evidence thereof, our Units participated in a joint Ceremonial with Gizeh Temple in 1913, at Victoria, B. D., crossed the continent to Atlanta, Georgia, in 1914, and back to Buffalo, New York, by special train in 1915.

In 1920, with war over and Shrinedom raring to go, the Imperial Session came to Portland, Oregon, with a great array of Bands and Patrols attending. On this occasion Afifi was there in full form and emerged from the celebrated gathering with our own Imperial Potentate, Ellis Lewis

---

Garretson.

Immediately following the Portland Conclave, the Afifi Imperial Alaska Pilgrimage sailed from Tacoma, June 25, 1920, aboard the s. s. "Jefferson" and s. s. "Spokane", chartered for the trip, our Band being aboard the steamer "Spokane", and our Patrol quartered on the steamer "Jefferson". Additional personnel in this large party were many notable Shriners and their families from many states of the Union. All members of the Imperial Divan except one were the personnel of this traveling party. The itinerary of this trip lasted fifteen days and included outstanding participation at Wrangel, Petersburg, Ketchikan, Juneau, Skagway, Haines and Sitka, all of Alaska. The appearance of a gaily bedecked Band and a Patrol on the streets of these faraway towns brought forth much rejoicing and wonderment from the natives. In several instances it proved to be the first event of a brass band appearing on the streets of the respective towns and in the main, we were informed it was a precedent in the history of Alaska, that a band had ever come to Alaskan shores from outside territory.

Afifi's next pilgrimage came in due sequence, in June 1921, when her Uniformed Bodies in four Units rolled into Des Moines, Iowa, as escort to the Imperial Potentate and party.

The following year, 1922, our Band and two Patrols journeyed to San Francisco. Our boys still being travel-mineded, took up the trail and went to Washington, D. C. in 1923.

Our group deferred attending the Council Session in 1924, but how they made up for it in 1925, by our Pilgrimage to Los Angeles with the Band and there Patrols participating, one hundred twenty men in uniform.

In September, 1926, a special trip, by chartered steamer, was organized to take the Uniformed Bodies and other Nobility to Victoria, B. C., for a two day sojourn with our good Brothers of Gizeh Temple.

Imperial Potentate Ellis Lewis Garretson, 1921, was a member of Afifi. Also, during this period was another distinguished Afifi member, Frederic W. Keator, P. P., who served well on the first committee for the selection of locations for our Hospitals for Crippled Children.

In 1921, our distinguished members, Edward B. King, and Grover C. Nolte, both Imperial Representatives Emeritus, conducted Afifi Temple's first Pilgrimage out to the Orient, under dispensation to conduct the first Shrine Ceremonial in China, and then the Empire of Japan. A Ceremonial was also held in Manila. Afifi Temple has since been out to the Orient to conduct Ceremonials in Japan, China, and the Philippines ; in 1926, 1933, 1957, 1960, and 1963.

Afifi Temple being a pioneer Temple of the great Pacific Northwest, conceived the idea in early days that there would be much merit, by reason of their isolation, if the Pacific Northwest Temples would consolidate their interests in a solid front for the good of all causes that concerned these Temples of the Northwest area. This idea for a coalition originated in 1912 or thereabout, through the promotion of Ellis Lewis Garretson, Past Potentate of Afifi Temple and then Imperial Oriental Guide. Fifteen Temples subscribed to this program and within a reasonable number of years it became apparent in National Shrine Circles that this block of Temples out in the Northwest had become an important factor in the affairs of the Shrine nationally.

Therefore, on March 31, 1928, at Wenatchee, Washington, at a joint Ceremonial Session of Afifi and El Katif Temples, a special meeting was called to order Hugh M. Caldwell, Imperial Outer Guard, acting as temporary chairman ; C. Bert Clausin, temporary secretary. Purpose of meeting : To form a permanent association of all Northwest Shrine Temples to first, uphold and support the Imperial Council; second, to further and create interests and activities in this section of Shrinedom.

During the past 25 years Afifi Temple has been very active in the P. N. S. A. having had Floyd C. Kinnear as its Secretary.

In 1950 Afifi chartered a train and took all its Units to the Imperial Council Session at Los Angeles.

---

Since 1949 the Temple has organized several new Uniform Units, namely Mounted Patrol, Provo Guard, Greeters, Clowns, Chanters, Ritual Team, and a very active bowling team, making a total of 10 Units in all. Also, the Temple has 11 Shrine Clubs that have their own Uniform Patrols in some cases. The Clubs have contributed many thousands of dollars to the Shrine Crippled Hospitals by their football games and circuses and other fund raising activities.

In 1959 Afifi Temple was honored by having Chester A. Hogan, P. P. elected to the position of Imperial Outer Guard at the Imperial Council Session held in Atlantic City, New Jersey. Noble Hogan will be Imperial Potentate in 1969.

Afifi Temple has had an outstanding record in Shinedom. Edward King, P. P., served as an Imperial Representative for 48 years and contributed a great deal to the Shrine. Grover C. Nolte, P. P. was also an Imperial Representative over 25 years and served on the Laws and Jurisprudence Committee which formulates the laws governing the Shrine.

The Temple also has Nobles on the Board of Governors of the Shrine Hospital for Crippled Children, namely, Frank N. Young, P. P., Cecil B. Walrath, P. P., Noble Gene B. Lock, Charles W. Johnson, P. P., and Potentate J. A. Woodworth who is also on the Finance Committee for the National Shrine Hospital. Noble Chas W. Johnson, P. P. served as Most Worshipful Grand Master of the Grand Lodge of F. & A. M. Masons for the State of Washington during the years 1962—63.

Afifi Temple was most fortunate to receive Dispensation from Imperial Potentate Harold C. Close to again visit the Orient in 1963 for Ceremonial purposes.

Afifi Temple first received Dispensation to come to the Orient in 1921 and again in 1926, 1933, and 1957, at which time Chester A. Hogan was Potentate.

The next trek by Afifi to the Orient was in 1960 under the guidance of Potentate Ralph Johnstone and in 1963 Afifi returned to the Orient under the guidance of Potentate J. Alden Woodworth.

In 1964 Afifi Temple sponsored its first Shrine baseball and football games in Tacoma for the benefit of the Shrine Crippled Childrens Hospitals. Both events were very successful and have been continued each year.

At a recent Imperial Council Session in San Francisco Chester A. Hogan, P. P., was elected to the position of Imperial Chief Rabban.

Afifi Temple was most fortunate in 1966 to receive Dispensation from the Imperial Potentate Orville F. Rush to again come to the Orient on a Ceremonial trek under the guidance of Potentate Dr. Brandt Bede.

Afifi Temple can look to it's history with Pride and look to the future with great enthusiasm and glory to come.

Afifi Temple is fortunate in 1972 to be granted a dispensation from Imperial Potentate Henry B. Struby to sojourn to the Orient for the Ceremonial Trek under the guidance of Illustrious Potentate Gene B. Lock.

## YORK RITE MASONRY

### Six Reasons Why A Mason Should Become A York Rite Member

- I The several York Rite Bodies offer you a grand opportunity to improve in every walk of life through the study and work in the progressively expanding light of pure Masonry.
- II They are the mightiest organizations in the world. They stand for the noblest principles in individual life and the highest standards of good government.
- III They constantly remind you to let your light so shine before men that they may see your good works and glorify your Father.
- IV The rituals presents an advanced and liberal education to all members which brings forth their finest character and works to be shared without stint with one another.
- V They give you the richest of fraternal fellowship, peaceful freedom of mind and a deep understanding of character enabling you to live in harmony with God and with benefit to your country.
- VI They base all the teaching upon the fundamental Truth, thereby adding greatly to your understanding of the symbolic significance of the first three degrees of Masonry.

## ANCIENT ACCEPTED SCOTTISH RITE OF FREEMASONRY

### TWELVE REASONS WHY FREEMASONS SHOULD ATTAIN THE 32nd DEGREE

1. The degrees in Scottish Rite Masonry permanently fasten in the mind of the candidate the basic principles of the order through the beauty and dramatic impressiveness of the work.
2. They provide excellent guidance for the practical demonstration of the teachings of Freemasonry.
3. Ancient and Accepted Scottish Rite Masonry gives the necessary historical background for an intelligent and effective appreciation of Masonic philosophy.
4. They create within one a greater love for chivalry ; a greater respect for philosophy, and a never-ending love for one's mother Lodge.
5. They stimulate one to higher thoughts and nobler acts because of greater knowledge of responsibilities and the history of the institutions of the Scottish Rite.
6. These degrees inculcate patriotism, respect for law and constitutional government, causing one to be less partisan, less sectarian and more democratic.
7. Fellowship in Scottish Rite Masonry greatly enriches sense of the brotherhood of men breaking down barriers of political animosity, sectarian alienation and other influences that tend to divide them.
8. In the degrees of Scottish Rite Masonry the great essentials of human and Divine relationships are taught through the medium of the spoken word and the dramatization of many of these relationships.
9. Scottish Rite Masonry expresses a profound belief in the capabilities of man and the Divine strength ever present to augment them.
10. The degrees teach one to participate in the glorious work of spreading the word of the Fatherhood of God and the Brotherhood of Man, so that in time to come, the words of the Master "I will draw all men unto me." may be fulfilled.
11. They will bring many new friends whom one would not otherwise meet.
12. They present an opportunity to achieve that coveted ambition to become a Thirty-second Degree Mason.

# How to save one hour, \$5 and eight grey hairs on your way to the U.S.A. Take a Northwest 747 evening flight.

## 747s leave Tokyo

5:30 p.m. daily	SEATTLE, CHICAGO, NEW YORK
7:00 p.m. daily	HONOLULU, LOS ANGELES, MINNEAPOLIS/ST. PAUL
9:10 p.m. daily	HONOLULU, SAN FRANCISCO, LOS ANGELES

When you take a Northwest 747 evening flight to the U.S.A. (or any of Northwest's 4 evening flights to Asian cities), make it easy on yourself. Drop your bags off in the morning at the Northwest Orient office in the Imperial Hotel. You can spend the whole day in Tokyo and then take the

Monorail to Haneda. You won't have to worry about your bags until you reach the U.S.A. And you won't have to worry about fighting the traffic out to Haneda. You save yourself at least an hour and about \$5. (The 15-minute Monorail from Hamamatsucho only costs ¥190.)

Make it easy on yourself, fly Northwest. We're the only airline in Japan with a downtown baggage check-in service.

For immediate reservations, call your travel agent or Northwest Orient: Tokyo 211-7211; Osaka 203-7851; Kyoto 222-1111, Ext. 296; Nagoya 541-9482.

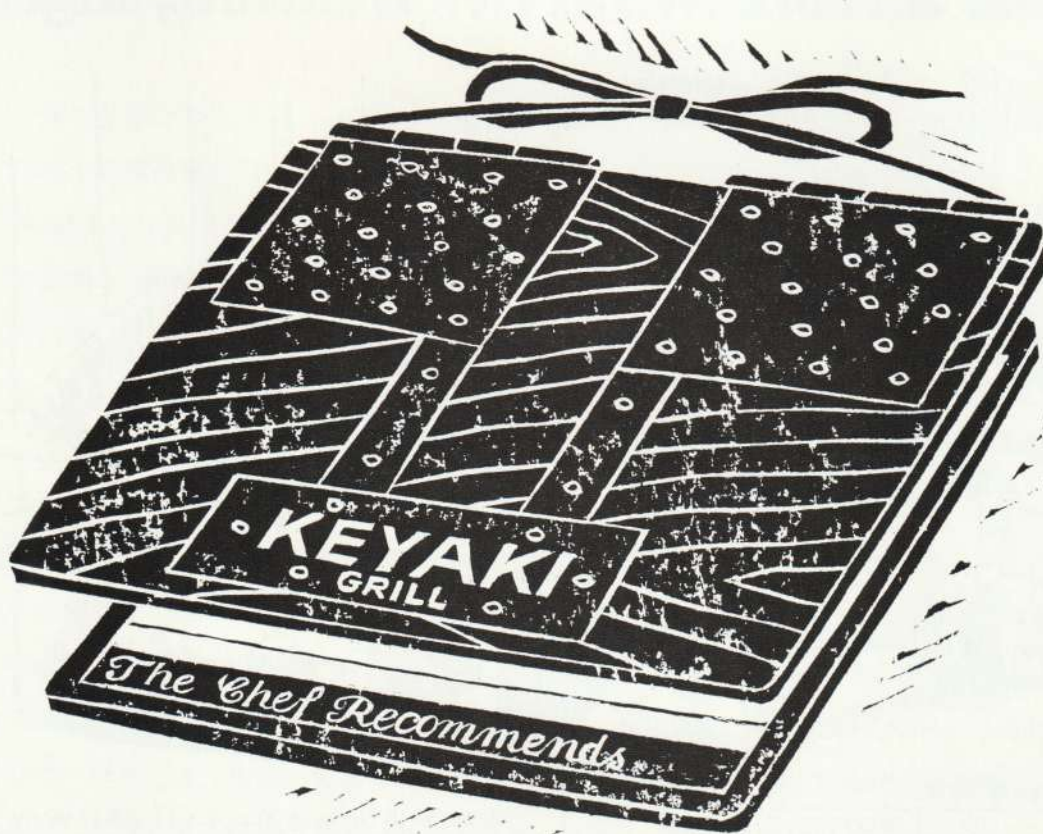

## NORTHWEST ORIENT 747

# Your on-time machine

There are 3 major causes of flight delays. Weather. Airport congestion. Mechanical problems. Cathay Pacific handles the first two better than most. Mechanical problems? In the last 12 months we made 11,112 flights. Of these 10,462 (94%) were on-time with no mechanical delays. The secret? More specialised engineers per plane than any airline flying in Asia. Over 2 hours available for maintenance for every hour flown. We care for our planes because we care for you. Your Cathay Pacific jets are boarding now. On-time.

## ALLAH'S PRAYER

I pray the prayers the Easterners do,  
May the peace of Allah abide with you :  
Wherever you stay, Wherever you go,  
May the beautiful palms of Allah grow  
Through days of labor and nights of rest,  
The love of good Allah make you bless.  
So I touch my heart as the Easterners do—  
May the peace of Allah abide with you.

# Pan Am gets you to New York earlier in the day

## **There by 3:40 P.M. the same day you leave Japan**

Whether you're flying out of Osaka or Tokyo, Pan Am's daily 707 to New York gets you there at the most convenient time of day. Early enough to catch your connection some place else. Or, if your destination is New York, early enough to miss the rush hour so that you're in your hotel with enough of the day left to use profitably. When time means money, that's how Pan Am helps you save it.

## **Coming back is just as convenient**

Businessmen call Pan Am's Great Circle route the "Tokyo Timesaver". It takes off at 10:55 a.m. and gets you here in time for dinner. This flight also has an immediate 747 connection if you're going on to Hong Kong. And, from Hong Kong, PanAm also serves Bangkok and Delhi, on our famous Flight #1 "Round-the-world" 747. Heading East or West, Pan Am's best!
