PROCLAMATION

Calling the Faithful!

ALLAH! OH ALLAH!

Praise Be To ALLAH

In the name of ALLAH, The Most Merciful, Compassionate, and the God of All Faithful, a Caravan is now forming for the Pilgrimage across the Hot Sands of the Desert to the Holy City of Mecca.

The pilgrimage will start on November 9, 1964. We will proceed across the plains of ARAFAT to the Mountain of Mercy, thence to the Holy City of Mecca.

If you would join in this Hazardous journey to Mecca, gird yourself well, for strange is the road for those who have never gone that way.

ALLAH is merciful, and if you have lived up to your obligations and have performed your absolutions, Allah will grant you much peace and joy. Arouse ye, then, Awake, and Arise ye Sons of the Desert, for Allah the Omnipotent, in his infinite wisdom has decreed the pilgrimage to the Sacred City of Mecca and has indicated through his prophet that we may select slaves to accompany us on the journey.

I beseech you therefore Nobles, to let no stone remain unturned, let no camel path remain unexplored, in order that you may discover these unregenerate desert denizens and unwashed unbelievers whom you believe merit the purifying draught of the Incorruptible waters. Promise them the opportunity to visit the land where rivers of milk form an inexhaustable supply of strength and refreshment.

Promise them The Benevolent Brotherhood and unselfish friendship accorded all pious and trustworthy Nobles of the Mystic Shrine.

If they bear bravely the Moslem Test, the trials, the tribulations and ordeals precipitated by the Blazing Sun and the Hot Sands, they will become Nobles of the Ancient Arabic Order of the Nobles of the Mystic Shrine. They will be able to enjoy the Feast of the Ramadan and rejoice at the end of the long hot journey by cooling their burning feet in the shade of the Great Oasis in Mecca.

Arouse ye Nobles, go forth, and bring Novices by the score for our fateful journey.

Yours in the Sunshine of the Shrine,

Chester S. Deptula

MASONIC TEMPLE, TOKYO, JAPAN

The Tokyo Masonic Building stands on one of the highest hills in Tokyo as a monument to the efforts of Masons in Japan. This beautiful building, with its grounds, library, restaurant and swimming pool, is a well-known landmark in the city of Tokyo. The properties are owned by a foundation elected jointly by Tokyo Masonic Lodge No. 2 on the roll of the Grand Lodge of Japan and the Scottish Rite Bodies of Japan. The properties are administered by a perpetuating Board of Trustees consisting of six members, three of whom are elected by Tokyo Masonic Lodge No. 2 and three by the Scottish Rite Bodies. Portions of the buildings are rented as offices and living quarters. Masonic organizations benefit to the extent of having their meeting quarters here. The income of the building is dedicated to charity. A ward for children, consisting of twenty five beds, is fully maintained from this income. This ward is at St. Luke's Hospital in Tokyo, which is the finest medical institution in the Far East.

The organizations which meet in the Tokyo Masonic Building are Tokyo Masonic Lodge No. 2, Yuai Lodge No. 11 and Harmony Lodge, U. D., under the Grand Lodge of Japan; Sinim Lodge under the Grand Lodge of Massachusetts; Kanto Lodge No. 143 under the Grand Lodge of the Philippines; the four Scottish Rite Bodies; Tokyo Royal Arch Chapter No. 1; Royal and Select Masters Council No. 1; Tokyo Commandery Knights Templar No. 1; Torii Oasis Shrine Club of Japan; the Eastern Star; the DeMolay and the Rainbow Girls. The Grand Lodge of Japan also has its headquarters in this building. For American Forces stationed in Japan, the Tokyo Masonic Building has been their Masonic home away from home.

To The Nobles of the Mystic Shrine of Japan

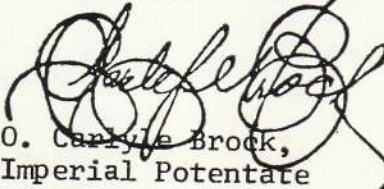

Dear Nobles:

Speaking for and in behalf of the Imperial Council of the Shrine of North America, representing 835,000 Shriners, I congratulate you upon your efforts, ever reminding that ours is the beloved Fraternity ever championing the rights and the dignity of the individual and his worth in the sight of Almighty God.

International in its scope though it be, we respect the sovereignty and intelligence of nations. Yours, a long-time ally and a necessary part of the defense system of the free world, it behooves us now and always to practice with patriotic fervor allegiance to our respective nations, but to practice brotherhood regardless of where our paths may cross.

My slogan, "God, Family, Fraternity, Charity, Country," ever resounds throughout my waking hours, even in my dreams. These are the foundation stones upon which was builded our citadels of freedom and our faith, which is as eternal as the fathomless oceans and as enduring as the everlasting hills.

Sincerely yours in the Faith,

O. Carlyle Brock,
Imperial Potentate

TO THE TORII OASIS SHRINE CLUB OF JAPAN:

Once again I take great pleasure in extending greetings to the annual convention of the Torii Oasis Shrine Club of Japan.

I believe firmly in the value of efforts by private groups and individuals to strengthen the goodwill already existing between the people of the United States and Japan. Perhaps no program is better suited to this purpose than your outstanding hospital program for crippled children. Not only the members of your clubs but all Americans can be proud of this good work which you are doing.

On this occasion I extend to you my congratulations and best wishes for continued success in the future. I also wish to join you in welcoming Potentate Lowell E. Braden and the other officers of the Islam Temple of San Francisco and to wish for them a most rewarding visit to Japan.

A handwritten signature in cursive script that reads "Edwin O. Reischauer". The signature is written in dark ink and has a long, sweeping underline.

Edwin O. Reischauer
United States Ambassador to Japan

It is indeed a pleasure for me to extend greetings to all Shriners in Japan on the occasion of your Ceremonial in 1964. On behalf of the United States Forces, Japan, I also welcome those who have come from the Islam Temple of San Francisco, California.

The American military in Japan has stressed the importance of humanitarian actions, as well as being combat-ready to defend the Free World against aggression. Our concept of helping mankind is in keeping with the story of the Shrine -- whose grand-scale program of fraternal good works has truly earned for them the right to be called Noble.

Your outstanding concern for the welfare of afflicted children has reflected high credit upon your organization and, in Japan, has contributed immeasurably to the excellent relations existing between Americans and Japanese.

May I wish for you a most successful Convention and invite you, while in Japan, to visit the Air Force, Navy and Army installations of the United States Forces, Japan.

A handwritten signature in dark ink, appearing to read "M. A. Preston". The signature is fluid and cursive.

M. A. PRESTON
Lieutenant General, USAF
Commander
United States Forces, Japan

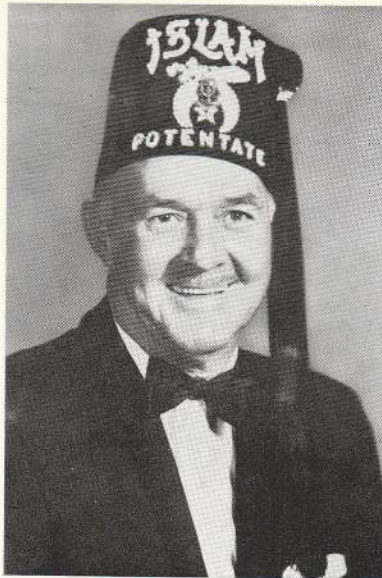

It is a distinct honor, no less than a pleasure for me, to extend, on behalf of the people of Tokyo, our warmest greetings to the Officers of Islam Temple, Ancient Arabic Order Nobles of the Mystic Shrine, headed by Illustrious Potentate Lowell E. Braden who have come over to Japan for participation in the 1964 Convention of the Torii Oasis Shrine Club of Japan, and to the members of the Club represented by President Chester S. Deptula.

We are well aware that the members of the Torii Oasis Shrine Club of Japan have hitherto rendered remarkable services in the field of public welfare by means of devoting themselves to the relief activities for the physically handicapped children of pitiable plight. The benevolent service they have so admirably rendered, I am sure, moves the hearts of a good many people and contributes a great deal to the sublime cause of promoting the welfare of our society.

May I take this opportunity to express the high respect and profound gratitude I always embrace in my mind to the members of the Club, and my sincere hope for the brilliant success of the 1964 Convention of the Torii Oasis Club of Japan and for the further development in the scope of activities of your Club.

A handwritten signature in cursive script that reads "R. Azuma". A long horizontal line extends from the end of the signature to the right.

TO THE NOBILITY OF TORII OASIS SHRINE CLUB:

Once again it is Islam Temple's honor and privilege to extend to you the Fraternal and Fellowship Greetings of our Nobility and the Divan.

We are most grateful for having been granted a dispensation to hold Ceremonials in the Orient again this year, and we plan to make this 1964 Ceremonial an outstanding success, and one to live in the memories of those having the opportunity of being present.

To all members of the Craft: Masons, Scottish Rite, York Rite, and Shriners; your devotion to, and furtherance of Masonry in Japan is well known. We of Islam congratulate you on your achievements, and wish you continued success and growth in your endeavors in promoting our great order.

Sincerely and Fraternally,

Lowell E. Braden

Lowell E. Braden

Potentate

We of the Grand Lodge of Japan look forward to the approaching visit of the Divan of Islam Temple. To us, it is in the nature of a triennial reunion with our friends. Our relationship has in all instances, been a pleasurable one.

The novices of this class will become members of Islam Temple, and part of a large group of outstanding and high-minded men and masons. They will each have their individual parts in the great work of the Shrine; the rehabilitation of crippled children. The great Shrine hospitals for crippled children in the United States, Canada, and Hawaii, stand as monuments to the great work the Shrine has done, and is doing in this field.

To Islam Temple, the Grand Lodge of Japan assures you of its fullest cooperation at all times in your noble work.

To the novices, we congratulate you on becoming Nobles of the Mystic Shrine, and for being accorded the privilege of becoming associated with the work of helping crippled children to walk again.

Best wishes for a highly successful ceremonial:

George H. Booth

Grand Master

Grand Lodge of F. & A.M., Japan

Greetings to the Illustrious Potentate and members of the Divan of Islam Temple from the members of the Scottish Rite Bodies within the Valleys of Tokyo and Yokota, Orient of Japan and Korea. We wish you and your gracious ladies a most enjoyable and interesting sojourn here in Japan.

The efforts of the Nobles in behalf of the crippled children of Japan has in the past and will continue to do much to further the teachings of Masonic philosophy in this part of the world and contribute much to general world-wide harmony.

I will quote an old Chinese proverb, which I believe is appropriate, "If there is righteousness in the heart, there will be beauty in the character. If there be beauty in the character, there will be harmony in the home. If there be harmony in the home, there will be order in the nation. When there is order in the nation, there will be peace in the world."

As we read this proverb, and choose the key words, there is much of the Masonic code contained therein. By righteousness, by harmony, by order and by beauty, the members of the various Masonic organizations can, by diligent application of same, bring a better understanding between the countries of this universe and peace to mankind.

Nohea O. A. Peck
NOHEA O. A. PECK

Deputy of the Supreme Council, 33°
A & ASR, Sou. Jur. U.S.A.

The Torii Oasis Shrine Club members extend a most hearty "Welcome" to Islam Temple's Illustrious Potentate Dr. Lowell E. Braden, Divan and ladies from San Francisco, California. We are honored by your visit and take pride in welcoming the Premier Shrine Temple to the Far East. May your visit become a cherished memory.

To the newly created Nobles — "Welcome". You are now associated with the greatest and most unselfish Philanthropy on Earth, helping those who cannot help themselves, specifically, crippled children of any race, color or creed who can be helped by the "Shriner's Crippled Children's Program". May Allah Bless your charitable soul, and willing hand.

If you continue to be a practicing Mason you should become a worthy Shriner and a credit to the Nobility. If you measure up to the added responsibilities of Shrinedom without forgetting your basic obligations to Blue Lodge and Coordinate Bodies, you will derive great pleasure and just pride from the title. "NOBLE".

Torii Oasis Shrine Club Crippled Children's Ward, St. Luke's
International Hospital, Tokyo.

Noble William R. Lepper, Chairman.

Father Don Vittengl, Hokkaido Representative.

The Torii Oasis Shrine Club composed of approximately 500 Shriners living in Japan have banded together to implement a program of assisting crippled children to regain their health, so that they can enjoy life which is their rightful heritage. Hundreds of afflicted children have been given out-patient treatment and more than 200 were hospitalized for periods lasting from three months to two years.

These unfortunate children were suffering from either clubbed feet, curved spines, tuberculosis of bones and joints, infantile paralysis, bow legs, congenital hip and such diseases and deformities that require orthopedic surgery or other methods of correction.

At present the Torii Oasis is placing its children in the St. Luke's International Hospital in Tokyo. This hospital is the finest in the Far East and under the professional and kindly care of Dr. Takeshi Hattori, Orthopedic Surgeon, our children are being returned to their homes to enjoy life and become useful citizens.

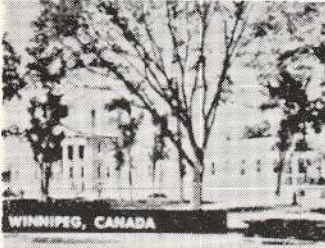

This hospital program is being financed by the Shriners in Japan with the assistance of their friends.

ANCIENT ACCEPTED SCOTTISH RITE OF FREEMASONRY

TWELVE REASONS WHY FREEMASONS SHOULD ATTAIN THE 32nd DEGREE

1. The degrees in Scottish Rite Masonry permanently fasten in the mind of the candidate the basic principles of the order through the beauty and dramatic impressiveness of the work.
2. They present an unexcelled opportunity for the practical demonstration of the teachings of Freemasonry.
3. Ancient and Accepted Scottish Rite Masonry provides the necessary historical background for an intelligent and effective appreciation of Masonic philosophy.
4. They create within you a greater love for chivalry; a greater respect for philosophy, and a never-ending love for your mother Lodge.
5. They give you a greater incentive to higher thoughts and nobler deeds, because of greater knowledge of your responsibilities and the history of the institutions of the Scottish Rite.
6. These degrees inculcate patriotism, respect for law and constitutional government, causing one to be less partisan, less sectarian and more democratic.
7. Fellowship in Scottish Rite Masonry is greatly enriched by the sense of a common experience and a kindred spirit, breaking down the barriers of political animosity and sectarian alienation and other influences that tend to divide men.
8. In the degrees of Scottish Rite Masonry the great essentials of our human and Divine relationships are taught through the medium of the spoken word and the dramatic reproduction of many of these fundamental relationships.
9. Scottish Rite Masonry expressed a profound belief in the capabilities of human nature, the willingness of the Divine to reinforce the human, and the betterment of the world by the cooperation of God and man.
10. The degrees teach you to participate in the glorious work of spreading the propaganda of the Fatherhood of God and the Brotherhood of Man, so that in time to come, the words of the Master may be fulfilled when He said, "I will draw all men unto me."
11. It will bring you to many new friends whom you would not meet otherwise.
12. It presents to you an opportunity to obtain that coveted ambition to become a Thirty-second Degree Mason.

"I'LL HIT A THOUSAND HOMERUNS"

Twelve-year-old Katsuo Omori stepped down from the train, looked around, smiled, and walked over to his mother and friends gathered at the station to greet him.

This was homecoming for young Katsuo who had been away for 15 months in a Tokyo hospital.

In August 1962, during a summer festival in Misawa City, T/Sgt. Louis Schriener, 439th Armament and Electronics Maintenance Squadron, noticed a small boy limping behind his friends who were playing in the street.

While attending a meeting of the local Misawa Air Base Shrine Club—a world-wide organization dedicated to helping unfortunate children—Sgt. Schriener remembered the pathetic attempts of the crippled boy to keep up with his playmates and forwarded a suggestion that members help him.

Although the club members agreed to help the young boy, neither his name nor address were known. Eddy Fujimoto—a member attached to the OSI Detachment at Misawa air Base—initiated a search for the boy with the assistance of the Misawa City police.

The boy was finally located after two months. He was taken to the Misawa Air Base hospital, where an examination by American doctors revealed he was suffering from a dislocated hip joint. The doctors agreed that almost complete recovery was possible were proper treatment given.

Members of the Shrine Club urged Katsuo's mother to permit him to undergo an operation in Tokyo. Although the Shriners declared they would pay for all expenses, she did not readily agree as she believed the boy could not be cured.

The mother finally relented and agreed to have Katsuo enter St. Luke's International Hospital in Tsukiji, Tokyo-to. This was in November 1962. After two operations, a 15-month stay in the hospital, and more than one million yen spent, Katsuo was able to walk in a normal way. On February 29, he left the hospital.

The hospital expenses were contributed by Shriners located throughout Japan. Members of the Misawa Air Base Shrine Club were particularly happy to see Katsuo as a normal child. CWO James Chastin, president of the Misawa Air Base Shrine Club, summed up the feelings of other members when he said, "Our efforts were worthwhile. From now on, we want to see Katsuo play to his heart's content."

Katsuo's mother said, "I have no words to express my appreciation. My heart is full of gratitude." Katsuo, however, had his mind on other things: he declared he would "hit a thousand homeruns during the baseball season."

Katsuo is being entertained at the hospital by Airman.

Gentlemen:

Again, may we congratulate you for the very fine work your organization is doing in Japan.

We are delighted that you have given us the opportunity to help support this most worthy cause. Crippled children must be given every opportunity to regain their health so that they may have the same chance for success and happiness that is enjoyed by every normal child.

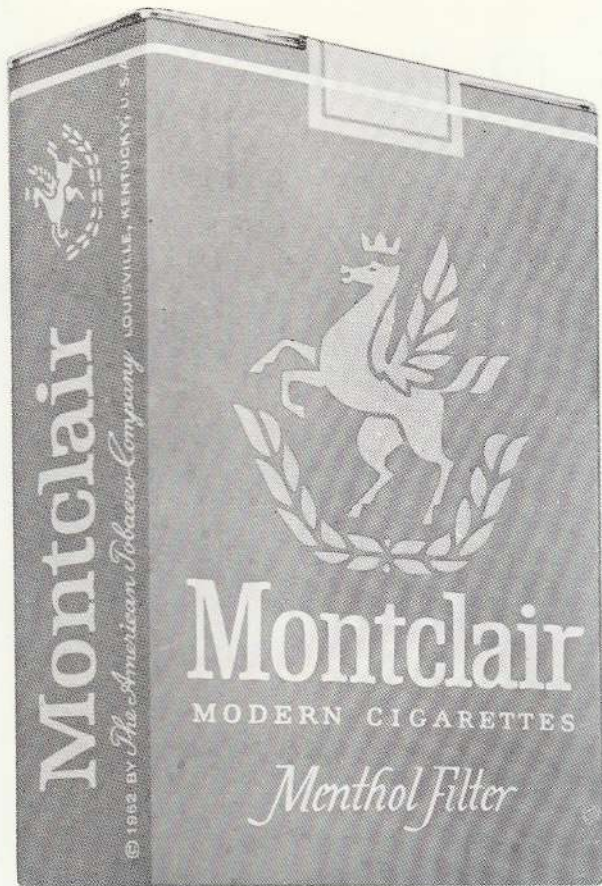

We consider it a privilege to be a small part of the program that supports your invaluable aid to unfortunate children.

Sincerely yours,

The Employee & Staff,

Hong Kong and back for \$228

When you cruise aboard a great President Liner, you're living at one of the world's great hotels. With a very special difference. You're always going somewhere. And American comforts sail with you every mile of the way. Among your luxuries: a radio, telephone, and 24-hour room service. You can take a five-day stopover in the Crown Colony for shopping

or side trips, while your ship cruises to Manila and back. Or sail on to Manila for only a few dollars extra. Round-trip fares to Hong Kong begin at \$228 First Class. Newly redecorated, modernized Economy Class accommodations are available from \$126. And there is a 350-pound free baggage allowance. Sea/Air arrangements

available. See your Travel Agent or American President Lines.

Whether you are located in Kagoshima with a computer or in Asahikawa with an adding machine, you can *always* depend on NCR's nation-wide service system.

Your rugged, dependable NCR machines may not require servicing for years. When they do, NCR technicians are close by, ready to perform any service from adjustment and major repair to complete overhaul.

But these aren't their only jobs—or even their most important ones. Top priority goes to *preventive* maintenance, carried out on a regular basis. This means less downtime, more profit from your investment in NCR office equipment—from cash registers to computers.

Today's sophisticated business machines demand an integrated service network. NCR has it ... throughout Japan.

That wonderful Pan Am feeling

Wherever they go—the U.S.A., Europe, Africa, the Caribbean, Central or South America, Asia, throughout the Pacific or 'Round the World—travellers feel *better* because they're flying Pan Am. No Wonder. Pan Am is the World's Most Experienced Airline.

Pan Am's Experience means more to them—and to you than all that we or anyone else can offer you on a Jet trip.

It means more than the convenience of hundreds of Pan Am flights linking major cities of the world, more than cuisine by *Maxim's of Paris* and matchless cabin service.

It goes much deeper than the fact that Pan Am's flight and maintenance crews are trained to the highest governmental standards in the world.

It goes far beyond the fact that Pan Am can be *your home away from home*, where you can get travel help in 900 offices throughout the world.

It has everything to do with your frame of mind—the *good* feeling that's yours when you know that you've chosen to fly the very best there is: the World's Most Experienced Airline.

Tokyo: 211-2441, Mitsubishi Shoji Bldg.

Japan's finest . . . and one of the world's truly great hotels

A traveler can stay almost anywhere in Tokyo if a roof over his head is all he wants. He can have glass and chrome and sterile coldness. Or he can sleep on the floor and have "natural" air conditioning . . . plus mosquitoes.

But if he is one of those discerning travelers who prefers the unique combination of gracious, personal service and warm, charm-filled atmosphere, he will choose the Imperial Hotel.

For the welcome he receives at the Imperial harks back to the days of the Emperor Meiji. He is a guest, not a customer, to us. Of course, he will find all the modern conveniences he'd expect.

Superb cuisine, relaxing bars, meeting facilities, shopping arcade, central location . . . these are just a few. In either the Original or the New Building, the Imperial is the hotel that makes people feel at home.

900 rooms and suites, 7 restaurants, 4 bars, complete facilities for international conventions, luxurious Peacock Room for 650 dinner or 2,000 cocktail guests and smaller banquet rooms, shopping arcade, travel agencies and airline offices

WORN WITH PRIDE

Before a bottle of Pepsi-Cola is awarded the proud Pepsi crown, it must meet the highest standards of perfection. It must be made in modern sanitary equipment... under exacting standards of purity...and with the finest ingredients available. Then, and only then, may it bear the Pepsi crown—medallion of quality everywhere.

Bottled by (name of Bottler) under Appointment from Pepsi-Cola Company, Owner of the registered trade mark "Pepsi-Cola"
